The **Annual Oral Health Assessment Report** is requested from each district within Santa Barbara County. Data submitted is always based on the previous year's data. In other words, the data districts submit for December 15, 2017 is actually data collected from the 2016/2017 school year, **not** the 2017/2018 school year. Districts are responsible to submit their Annual Oral Health Assessment Report directly to Santa Barbara County Education Office (SBCEO) each year by **December 15th**. After receiving each district's data, our office submits the information directly to the California Dental Association for processing by December 31<sup>st</sup>.
